Become an Instant Self Healer

1 day Seminar & complimentary Healing Treatments

We learn to take responsibility over ourselves and regain power...the power Heal!

The next time you feel sad, confused, tired, stub your toe or smash your finger in a door, how would you like to be able to heal yourself in less than five minutes with positive results, no pain and no bruises? What if you could heal a burn in the same way, or get rid of a cold in under an hour? Wouldn't it be great if long-term headaches, depression, stiffness, pain, and many other problems could disappear in an hour, a day or even a week?

Instant Healing will teach you to use the power of imagination, the power of words, the power of touch, and the power of energy to heal all types of ailments, including:

- Nausea
- Headaches
- Allergies
- Backaches
- Acute anxiety
- Depression
- Eyestrain
- The flu
- Swelling
- Infection
- Even hangovers

Instant Healing contains a special section on emergency techniques that you can use with a minimum of explanation, and, because instant healing is not feasible for all conditions under all circumstances, you will also learn methods for rapid-healing (less than one day) and fast-healing (less than one week).
